

Plainville Community Schools Preschool Program

Developmental Screenings

October 12th

December 14th

March 22nd

May 31st

at Linden Elementary School

Plainville Community Schools will be holding a developmental screening for children who reside in Plainville and are three or four years of age. During the screening children will participate in typical preschool activities while in a fun and relaxed atmosphere.

At that time our preschool staff and service providers will be observing your child's skills in the following areas:

- ♦ Motor Skills – how your child uses his or her body
- ♦ Conceptual – knowledge of basic concepts such as counting and colors
- ♦ Language – understanding and the use of language
- ♦ Self-help and Social Skills – this information would be provided via a parent questionnaire

If you are interested in having your child attend one of our developmental screenings or if you have any questions regarding the screening process, please call Plainville's Department of Special Services at (860) 793-3214.
